

## **2008 Fall Quarterly Report – Western Region Venturing President**

### **GOALS**

1. To promote quality training for adults through encouraging participation in Powder Horn training and to promote quality training for youth through encouraging participation in Kodiak, Kodiak X, and Venturing Leadership Skills Course training.
2. To work with charter organizations and leaders to improve Venturing within the Western Region.
3. I will visit Councils within the Western Region to lend support and to be an effective resource and promote Venturing, particularly in those eight councils that lack Venturing representation.
4. I will lay groundwork for a Regional Venturing Youth Cabinet to support the Western Region President of Venturing.
5. I will work to improve marketing of the Venturing Program and strive to improve communication between Venturers and Venturing Advisors within the Region.

### **ACCOMPLISHMENTS**

1. Reported to the Western Region Executive Board at the Regional Board Meeting in Denver, Colorado September 21, 2007.
2. Put forth an effort to establish a solid network of contacts within the Region to assist in improvement of communications among those involved in Venturing.
3. Began an effort to visit and support councils within the Region.
